2-Conductor Wire Harness Connector

For use with all Vode Systems

Low voltage wire harness connects two 2-conductor wire harnesses together. One (1) pair of 18 AWG wires. Vode supplies 25' (7.62m) wire harness jumper to create longer remote distances as needed.

Technical Support: 707-996-9898

PART NUMBER **WRH-MWP-XX-MF-18/2-RLF-YY**

DESCRIPTION Wire Harness, micro-molex overmolded, "XX" [LENGTH], male/female jumper, 18/2 AWG, 1 red, 1 black, CMP rated, red list free
